CITY COUNCIL TO ASK YEAR EXTENSION FOR CODORNICES VILLAGE

The City Council Tuesday night voted to recommend that the overnment extend for one year from July, 1949, the life of t portion of Codornices Village within the city limits of lbany.

This action came after discussion of a report from Jack Sloan, hairman of the Albany Housing Commission. Sloan said his udy of the situation at Codornices illage revealed that removal of of the housing units would rk a hardship on many G.I. stunts, veterans and other desirable ants now living in the Village. said indications are that there be no definite easing of the using situation within the next ar and that abolition of the proct would leave many residents meless.

Councilman Bert Hill pointed out at the project would still be fined by the Government and conation of its existence would be no cost to this city. Council mbers voted unanimously to auorize City Attorney George Glaovich to draw up the necessary pers forwarding their action to overnment officials. They recomended the documents contain mmendation for members of the using Commission and especialfor David Kinkead, Codornices using Manager, for his aid in mpiling statistics for Sloan's reort and to Mrs. Jackye Kwallek, cretary of the Housing Commis-

Many Enroll for High School Summer Sessions

Six hundred fifty adults are registered in the day and evening summer classes provided by the Albany Board of Education as a special educational service to the community.

Enrollments are still being accepted in sewing and dressmaking, textile painting, millinery and gift making, beginning and advanced social dancing, pottery and mold making, intermediate and advanced folk dancing, photography, arts and crafts, and metal shop.

Among the very popular courses have been the 13 day and evening classes in auto driving, taught with the use of a dual control car assigned the Albany Schools. All of these summer driving classes have been closed to further enrollment, but a waiting list for the September classes is being made. Residents of Albany have preference over those from outside the city. Those who have not yet had their names put on this list but who are interested should do so at once.

For further information on any of these classes call LA, 5-1757 (afternoons) or LA. 5-7131 (Mon. and Wed. evenings) or write the Principal of the Evening School, 1009 Santa Fe Ave., Albany.

Pictured above are six good reasons why the Albany Lions Club installation dinner dance was a huge success Thursday night. The smiling group of youngsters is the six Menefees, popular entertainers known throughout the East Bay for their talented song and dance interpretations. While sister Marian adjusts the tie for her dapper young brother, Vila, the other four Menefees, left to right, Richard, Melvin, Marvin and Francis supervise the job.

Lions Club Officers Installed at Dinner

At a gala dinner dance Thursday night at the Willows in Orinda new officers of the Albany Lions Club were installed in ceremonies witnessed by local Lions, their ladies and visiting officials of the organization.

According to Elmer W. Stryker, Past President of the local group, Thomas Nielson, International Councilor and Past President of the Berkeley Lions served as installing officer to usher in Jolin Marien as the new president. Hillis Hume was installed as vice-president. Other officers include E. L. Barrett, secretary; Wm. K. Ford, treasurer; Alton Olson, lion tamer and James Vaughn, tail twister. Directors for two years are J. K. Chaplick and George Berry. Ray O'Dell is director for one year serving with hold-over W. Stahlberg.

Awards were presented by W. K. Davis of Ukiah, District Governor Elect of District 4B. J. D. Land was Master of Ceremonies.

Well known for their brilliant entertainment in clubs and fraternal organizations throughout the East Bay, Marian Menefee and her five brothers enlivened the program with their song and dance routines. The boys, Richard, Melvin, Marvin, Francis and Vilas and their sister have won wide acclaim for their clever dancing and imitations of such notables as Bing Crosby, Danny Kaye and Betty Hutton. Adding to the entertainment were Sally E. Williams and Betty McBride, talented guitar duet. Their individual style of playing and their teaching ability has made their services much in demand in this area.

MORGAN'S MEANDERINGS

By M. S. T.

Things that get in when you leave the door open dept.: Morgan back again after a sojourn down South, suh, youall-Southern California, that is, son. Ho, hum, back to the old mill. I should have stayed away at least one day longer. (I know what you're thinking, but don't say it.)

* * *

If you see a scalp waving in the breeze in front of the Fire House, it's probably Morgan's. Worst part is I can't expect police protection. For you see, dear readers, I was one of the judges of the big parade Monday.

* * *

If you voters who only see your City Councilmen when there is a parade were wondering where Councilman Bert Hill was you may like to know he jumped out of the official car and stood by the reviewing stand. Since he had put in so much work as chairman of the Parade Committee, guess he wanted to see what the parade looked like.

* * *

Remember the story a few weeks back of the dog dragging his injured canine pal out of the street? That one made the front page of the San Diego evening paper. Big spread, too. Another story from Albany turned up on an inside page a few days later. But we don't talk about that.

* * *

Ed Howell got quite a "bang" out of announcing the softball game at the big doings Monday. In fact, it looked as if he was taking the first three lessons on the rhumba from Madam LaZonga. Vern Freeman and Milt Gordon were standing suspiciously nearby when things popped. Now where would a policeman get a firecracker?

* * *

Elliot Lewis, who draws straight lines and a check in the office of the City Engineer will take his wife and young son off to Calistoga for a few days of the easy life Saturday. Their youngster had his tonsils out recently and mom and pop figure that is as good a reason as any for getting away from it all for awhile.

* * *

Wonder if George Glavinovich knows the peril in which he stood after Council meeting Tuesday night. He was singled out by Louie Torchio as a victim of one of the famous Torchio Torches. But the match fizzled out and the legal Eagle escaped what promised to be the grand-daddy of all hotfeet.

* * *

Signed Oakley tells me this one was overheard as the Police and Fire float passed in the parade. "Wonder if that one came from Southern California? Looks like something in the Tournament of Roses." Shucks, it was even better.

Civil Service Comm. Seats New Member

At a recent meeting of the Albany Civil Service Commission Arthur Taveira was elected Chairman and G. D. Gaeta named Vice-Chairman. Jack O'Leary was re-appointed secretary.

A. B. TAVEIRA

Gaeta received the thanks of the Commission for the time and effort he has expended during his two year tenure as chairman and was commended for a job well done.

Other members of the Commission are Charles C. Moore, S. N. Nelson and Neal Hammond, newly appointed member seated at the meeting.

Ellis-Olson Given Golden Rule Rating

Word has just been received in Albany that the Ellis-Olson Mortuary has again been appointed as the member of the Order of the Golden Rule in this community.

Membership is not permanent, and may be revoked at any time by the Order. Each year affiliation with the Order automatically expires, and the record of each member for the preceding year is then taken into consideration before he is again accepted into this fellowship.

The Symbol of the Order, by which one may, in nearly any community, identify the local member, represents a knight in full armor, supporting with his right hand a shield upon which is emblazoned the motto of the Order: "Service Measured Not by Gold but by the Golden Rule." In his left hand the knight grasps a drawn sword, as though to signify his readiness to defend the sentiment his shield expresses.

Building Permits

According to City Engineer E. A. Tarr, permits for the construction of buildings estimated to cost $71,490 were issued during June. Residential alterations were the leading figures in the report with a total of $26,036. Single family dwellings to cost a total of $21,000 will be built.

Entertains Visitors

Mrs. Doris Ramsay of 1116 Curtis St., is entertaining three guests from out of town who will stay most of the summer. They are her mother-in-law, Mrs. Blanch Ramsay and sister-in-law, Miss Edith Ramsay of Tacoma, Wash., and Miss Alberta Reynolds of Los Angeles.

Free Show Planned by Fire Dept.

The Albany Fire Department will be hosts to the Alameda County Association of Firemen at a meeting July 9 in the fire house, 801 San Pablo Ave.

The local department has planned a demonstration for 9 p. m. of fire prevention and suppression to be given on the vacant lot on Washington across from the fire house.

The public is invited to attend the demonstration at which new fire fighting techniques and equipment will be shown and used. Local firemen will show their methods of attacking fires which have won for them recognition as one of the outstanding fire fighting units in the Bay Area.

Following the show, Albany Fire Chief Fred Pimental and members of his department will be hosts to the association for refreshments.

Public Installation Fetes New Officers Of Albany Maccabees

A new staff of officers was installed to head Albany Tent 124 of the Maccabees for the coming year at a public ceremony held Thursday night in Maccabee Hall, Kains and Marin. A sparkling floor show followed the installation after which refreshments were served.

Wielding the gavel as Commander of the local lodge will be Roy Stacy with Theo. Kurtz, Sr. Commander; Thomas Gabriel, lieutenant commander; Theo. Kurtz Jr., chaplain; Warren Gould, sergeant; Alfred Cowles, master-at-arms. Howard Hughs was re-elected to the board of trustees for three years.

Starting at 7:30 p. m. on Saturday, July 10, the Maccabees will celebrate their 20th anniversary with a dinner dance at the Mira Vista Country Club. Arthur Taveira will be honored for his 20 years' service as record keeper for the lodge.

Bay Area Archers Reorganize Group

Followers of the oldest of sports, archery, will be pleased to learn of the reorganization of the Albany Archery Association, a group of East Bay archers organized some years ago and well remembered for their exploits with the bow and arrow.

Before the war this group held their contests of skill in an area of Tilden Park set aside for their purpose. Came the clouds of war and the archery area was taken over by the Army for the more destructive methods of modern warfare.

Now, through the cooperation of Dick Walpole of the Park Department the Albany Archery Association has been restored to their old shooting grounds and will resume their activities. Their first business meeting will be held Monday night, July 12 in Oakland at 440 Irwin Ct. Persons interested in archery are invited to attend this meeting.

The Albany Archery Association proudly claims as their members such outstanding bowmen as "Spick" Spancel, Truman Farnsworth, Clyde Cargile and Ray Toppe. At one time they had the largest membership of any such organization in the East Bay and are striving to regain that standing.

POLICE-FIRE FLOAT JUDGED FINEST IN HOLIDAY PARADE

An estimated 7000 residents of Albany and neighboring cities turned out to enjoy this city's third annual safe and sane Independence Day celebration on Monday at the street parade and activities in Memorial Park.

For the second time the Police and Fire Civil Service Employees Club won first place and the $50 award with the best parade entry, a beautiful float depicting, in a colorful array of flowers, an early mission of California's pioneer days.

To the Albany Pre-School Mother's Club went the perpetual trophy awarded by the Albany Exchange Club. Their float, gaily decorated in a circus motif and laden with ballons and small children was judged best local float entry. The second best local award went to the float depicting the symbolism behind the Key Route Memorial Strip.

The Weldonians won first prize as the best band or bugle corps and to the Native Daughters of the Golden West went honors as the best marching unit.

Albany Post 292, American Legion, was judged as having the best decorated truck with their entry depicting Thomas Jefferson signing the Declaration of Independence.

Of the horse and rider groups entered, the Hayward Buckaroos won first place with the entries from Arlington stables a close second. The children had their entries in the big parade and little Sandra Finney of 932 Talbot Ave. won five dollars as the best single juvenile entry. To Tommy Koller went $3 as the second best juvenile.

Following the parade, games and contests were held in Memorial Park. The final play-off for the Mayor's Cup in the Recreation Department Spring Softball League placed the Berkeley YMI in the win spot over the Gilivets by a score of 4-1.

A demonstration of folk dancing in the afternoon and an evening of ballroom dancing concluded the day of festivities.

Rev. Benefiel New Methodist Minister Here

Rev. Robert L. Benefiel has been recently appointed as the new minister of the local Methodist Church at the corner of Stannage and Marin Aves. He succeeds the Rev. John W. Winkley, who was retired at the close of this past year.

Rev. Benefiel's home was in Indiana where he was graduated from DePauw University in 1942. Following a year of graduate study in Hartford Seminary Foundation he enrolled in Boston University School of Theology. He received the degree of S.T.B. in 1947 and was an assistant Chaplain in Massachusetts General Hospital that same year. For the past year he has aided in the study and development of new work in the Methodist expansion program in Sacramento.

During his professional training, Rev. Benefiel served as a supply-pastor in the Indiana and New England Conferences. During high school and college he was a member of outstanding football and basketball teams and he has had broad experience in youth camps and community recreation. His wife is Mrs. Norma Johnson Benefiel, formerly of Wisconsin and they have one son, Robert Jr., two and one-half years old. They will reside in the parsonage at 1235 Dartmouth Street.

Morning Worship services begin at 11 A. M. each Sunday morning and Rev. Benefiel has chosen a popular subject this week: "The Wit to Win."

Fraser Sellstrom Weds Minnesota Girl Here

Before a small group consisting of families and closest friends, Fraser R. Sellstrom and Miss Tillie Jepma were united in the bonds of matrimony, Saturday, June 26. The Rev. Thos. E. Watt performed the ceremony at the First Congregational Church, Fruitvale Ave., Oakland.

The new Mrs. Sellstrom, daughter of Mrs. Rena Jepma of Hancock, Minnesota, had as bridesmaid Miss Marion Sellstrom, sister of the groom, while John A. Sellstrom prospective father-in-law had the privilege of giving the bride in marriage. Robert Cartmill acted as best man for the groom, who is the son of John and Florence Sellstrom, 636 Evelyn Ave.

Fraser Sellstrom graduated from Albany High School during war time and served with the United States Navy, Pacific operations. He and Miss Jepma met at the Marchant Company in Emeryville where both are employed.

After a honeymoon motor trip to Washington and Idaho they will make their home in Oakland. Honored guest at the wedding was Frazier S. Rose, grandfather of the groom and California pioneer.

Gold Bond Stamp Plan Offered by Local Merchants

Many Albany Merchants will soon be paying their customers "patronage dividends" through the plan of the Gold Bond Stamp Company of Minneapolis, Minnesota, now being introduced into this area by Neal D. Miley, representative for this unique saving plan.

Already popular in the mid-west and Southern California, the Gold Bond plan has led to the distribution of almost one-half million dollars in cash dividends to the buying public.

Gold Bond Stamps are given by merchants participating in the plan at the rate of one for every 10 cents worth of merchandise purchased. When one of the "saver's books" now being distributed to every home in Albany is half filled it may be redeemed for one dollar and fifty cents in cash. A full book is worth three dollars in cash. This plan works on a strictly cash basis, there are no premiums given and the books, when full, will be cashed without delay by any merchant in the plan.

More details of this convenient saving system are given on page two.

P.G.&E. Begins Work on Erection Of Storage Tank at Point Isabel

Officials of the Pacific Gas and Electric Company disclosed Wednesday that a $4,500,000 gas storage tank, the center of a storm of controversy recently in Albany, is to be erected on Point Isabel, just north of this city.

Original plans of P.G.&E. to place the tank on the west side of Albany Hill were abandoned when residents in that neighborhood filed a mass protest with the City Council. The new site is on the Richmond waterfront, directly west of El Cerrito and the strip of unincorporated property commonly referred to as "No Man's Land."

Leigh H. Smith, Richmond manager for the company, estimated that the new holder will bring the city of Richmond and Contra Costa County approximately $45,000 annually in taxes.

Point Isabel is within the City Limits of Richmond but south of the city proper. The area is zoned for heavy industry and did not require special action by Richmond city officials. The land is presently owned by the Santa Fe Railway Co. and a P.G.&E. spokesman declined to say whether the land had been purchased or was leased from the rail concern.

Excavation work has started for the gas holder which will spread to a diameter of 284 feet and tower 379 feet into the sky. It is estimated that the steel tank will take approximately one year to build.

Schauer-Kenny Nuptials Read At Saturday Morning Service

St. Elizabeth's Catholic Church in Oakland was the setting on June 26 for the nuptials uniting Elizabeth Mary Kenny and Russell John Schauer at 11 a. m. Rev. Victor Bucher read the wedding service.

Escorted to the altar by her father, William Kenny, the bride wore the traditional white satin gown with a fingertip length veil caught in place by a crown of bouvardia. She carried a white prayerbook with white orchids and stephanotis.

Serving her sister as maid of honor, Miss Jane Kenny wore white satin brocade with a crown of pink bouvardia for her hair. Bridesmaids were Miss Velma Salentine, of Oakland; Miss Betty Schauer, a sister of the benedict and Miss Frances Kenny another sister of the bride.

After a reception at the home of the bride's parents, the newlyweds left for a honeymoon at Lake Louise. They plan to live in Albany.

Elizabeth has made her home at 1637 36th St., Oakland. Her husband is the son of Mr. and Mrs. R. J. Schauer of 821 Ramona Ave., Albany.

N.D.G.W. Whist

Albany Parlor No. 260, Native Daughters of the Golden West will hold their monthly whist party Friday evening, 8:30 (July 9th) at the Maccabee Temple, 985 Kains Ave. Refreshments include doughnuts and coffee. Cards 50c. First prize: Over-night case.

Notice

City Engineer E. A. Tarr this week announced that the new traffic lights now installed at the Marin and Buchanan St. intersections of San Pablo Ave. are expected to go into operation the first part of next week. Motorists approaching either of these intersections are warned to be alert for the operation of the signals.

Tarr stated that the new lights will be syncronized to operate with the signals at the corner of San Pablo and Solano Ave. He further stated that mechanisms are being installed to allow a change in the direction of the flow of traffic three time a day.

To the Editor:

The parade was great. The public reception to it, judging by the applause where I stood, was terrible.

Why marching groups will come here when they could get a more enthusiastic reception marching through their own cemetery is unexplainable.

I would suggest for next year:

1. A shorter line of march so crowds along the street would be greater.

2. Cheer leaders in costume from schools (with a session or two of instruction) for each block to go along with the parade.

3. Pre-parade exhortation of public to show some appreciation.

4. Special awards to units getting biggest hand as is done in amateur nights.

5. Special prizes to the units getting best hand.

6. Leading float with sign asking for appreciation and explaining the applause prize system.

They didn't even clap for the day nursery, the cubs or the horses. I was proud of the parade and ashamed of the spectators (and I clapped).

Signed P.A.L.

Relatives From East Visit J. R. Turners

Mr. and Mrs. Joseph R. Turner of 1222 Washington St., have had as their guests Mr. and Mrs. Ernest J. Cole (Mr. Turner's niece) and Mrs. Elizabeth Potter (Mrs. Cole's aunt) from Elmira, New York.

The Coles and Mrs. Potter traveled by auto via the southern route and visited many of the scenic spots along the way. They plan to return through Yellowstone Park and Northern points of interest.

While here the easterners have visited Yosemite and many other nearby spots. They are much impressed with California's beauty and especially like the weather.. En route here they had driven through many days of rain and storm.

Also visiting the Turners has been Mr. and Mrs. F. L. Cady and daughter Marilyn and son, Donald from Tacoma, Wash. The Turners are anticipating the arrival, about Aug. 1 of a brother of Mr. Turner, his wife and other members of the family, from Elmira for a lengthy stay.

Albany Sergeant Now Stationed at Guam

A report from the Marianas Bonins Command reveals that Master Sergeant Andy Simon of 926 Polk St., a veteran of more than 32 years in the Army, has arrived for duty at Guam.

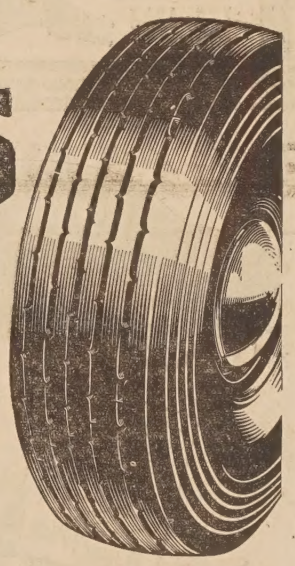

Sergeant Simon served as a First Lieutenant in World War I and decided to make the Army his career. During all his Army life Simon has served in the Ordnance Department. There may have been times when he was doing other than Ordnance work, but he claims that he has served in all ranks of the Ordnance from private to captain. He was a Captain at Camp McCoy, Wisconsin, during World War II.

Mrs. Given's Daughter Visiting in England

Word has been received by Mrs. Frances Givens, 841 Madison St., of the arrival in England of her daughter, Mrs. Herbert Green. With her husband and daughter, Shirley, Mrs. Green left the last day of May aboard the Queen Mary to visit Mr. Green's parents in Blackpool, England.

En route to New York the Greens stopped off in Washington to see the sights around the Capital. They plan to spend some time in London and other famous spots in England before returning home. They have booked return passage aboard the Queen Elizabeth.

The Greens make their home on Tessa Jara St. in El Cerrito.

Name Decorators of Winning Local Float

Under the chairmanship of Mrs. Sunnie Senne the following mothers helped decorate the prize winning float entered in the July 4th parade by the Pre-School Mothers Club: Helen McGimpsey, Marion Clark, Bernice Walton, Mickey Silver, Thelma Meads, Helen Schaser, Ellen Radder, Pat Theobald and Lillian Ward. The three energetic clowns preceding the truck were Mesdames Senne, Silver and Clark.

With the children and Mrs. Nell Curran, director of the Pre-School on the truck were Mrs. Meads and Mrs. Bernice Walton.

The following children rode on the float:

Allan Miller, Carol Meyer, Billy Brown, Charlae Senne, Valerie Senne, Gary Keck, Mary Sue Meads, Teddy Bradfield, Kathleen Morris, Colleen Morris, Nancy Shaw, Billy Shaw, Jay Clark, Ma' Lis Walton, Lee Stephenson, Peter Ward, Paddy Ward, Diane Liotta and Connie Jo Silver.

O.E.S. STARLETTE CLUB

The Starlette Club of Thousand Oaks O.E.S. met recently at the home of Gertrude Jennings where 37 members as well as the founder of the club, Jessie Crane, gathered for an evening at an old fashioned Country Fair.

Supervisory Positions

The Army and Air Force Board of U. S. Civil Service Examiners today announced the opening of an examination for supervisory positions in the skilled mechanical trades. Entrance salaries will range from $1.46 to $2.12 per hour. Eligibles from this examination will be assigned to positions as Senior, or Working Leader, Assistant Foreman, Foreman and Superintendent over the various mechanical trades covered in the examination announced.

For information: Army and Air Force Board of U. S. Civil Service Examiners, Oakland Army Base, Oakland 14, Calif.

Albany Legion Team

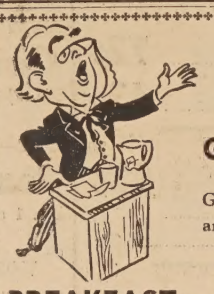

(Continued from Page One)

Lou got a triple, a double and a single.

The Senior and Junior teams will be formed into one organization to play local Legion clubs in an effort to win a chance at play in the National League. Fred Lauters, Russell Bradlee and Jim Sartain are hard at work whipping the team into top playing form.

Kills MOTHS

With Reefer-Galler's NO-MOTH hung at the top of your closet, you can go away for the Summer and know that your clothes are safe from moths. Follow simple directions, and NO-MOTH kills all stages of moth life—and that includes moth eggs, moth worms and moths.

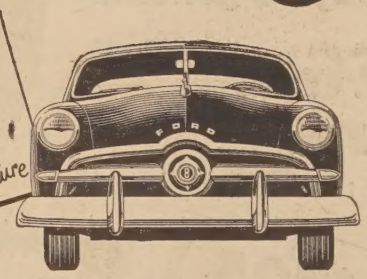

Reefer-Galler's NO-MOTH is a handy container releasing a pungently fragrant vapor which penetrates every nook and cranny—this vapor does not cling, clothing may be taken from the hangers and worn immediately. NO-MOTH is Refillable.

Simply hang neat little "No-Moth" container at top of your closet . . . and your worries about moths are over!

NOTICE IS HEREBY GIVEN, That the Assessment Rolls of the City of Albany for the fiscal year 1948-1949 have been completed and delivered to the undersigned, the City Clerk. Said rolls will be open for inspection at my office in the City Hall, 1045 Solano Avenue, Albany, California, during office hours.

NOTICE is also given that the City Council of the said City of Albany will sit as a Board of Equalization in the Council Chambers at said City Hall, at 8:30 o'clock p. m. Tuesday, July 13, 1948, and will continue until all of the returns have been rectified, and will during said time hear complaints, correct, modify, strike out, or raise any assessment. Due notice, as provided by law, will be given to the party whose assessment is to be raised.

DATED: Albany, California, June 30, 1948.

MYRTLE J. McLEAN,
City Clerk of the City of Albany.
Pub.: July 2, 9, 1948.

NOTICE TO CONTRACTORS
Res. No. 320, Marin Painting

NOTICE IS HEREBY GIVEN that the Board of Education of the City of Albany and of Albany Unified School District of Alameda County hereby calls for sealed proposals to be delivered to the Secretary of said Board at the office of said Board at 1009 Santa Fe Avenue, Albany, California, until Tuesday the 20th day of July, 1948 at 8:00 o'clock P.M., at which time and place said bids will be opened for the furnishing of all labor, equipment, mechanical workmanship, transportation and services required for painting the exterior of the Marin School Building, located at 1400 Marin Avenue, Albany, California, for the Albany Unified School District of Alameda County.

These bids shall be presented in accordance with specifications for said work which are on file at the said office of the said Board of Education located as above mentioned. Specifications may be had by any prospective bidder for the work above mentioned on application to the Secretary at the office of the Board of Education hereinabove mentioned.

Bids must be made on proposal forms obtained at the said office of the Secretary of the Board of Education and must be signed by the bidder and accompanied by a certified check, certified to by some solvent bank of the State of California or by a National Bank doing business in the State of California and made payable to the Albany Unified School District of Alameda County, to be retained by the said Albany Unified School District as agreed and liquidated damages should the party or parties to whom the contract should be awarded fail to enter into the contract after the award, or to give the bond required for the faithful performance of the contract, or any bond required by law. The amount of said check shall be for Five Hundred Dollars ($500.00).

The contractor and all subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for work of a similar character in the locality in which the work is performed, to wit: Albany Unified School District of Alameda County, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by said Board of Education and which is now on file in the office of said Board of Education and by reference incorporated and specified herein and made a part hereof, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted for each craft or type of workman or mechanic needed to execute this contract, is herein specified as follows:

Crafts or Types of Workmen	Prevailing Hourly Wage Rate
Painters	$2.15
Common Laborers	1.52½

Overtime, Mondays to Fridays, Inclusive—time and one-half.

Overtime, Saturdays, Sundays and Holidays—double time.

The working day shall be eight hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the number of hours in the working day. When less than the number of hours constituting the working day, as herein stated, is worked, the wage to be paid shall be the hourly rate multiplied by the number of hours actually worked.

All skilled labor not listed above that may be employed is to be paid not less than the union wage scale for such labor and in no event to be paid less than One and 75/1000 Dollars ($1.75) per hour.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Properly indentured apprentices may be employed upon this work in accordance with the state law. Such apprentices shall be properly indentured as called for by law and shall be paid not less than the standard wage paid to apprentices under the regulations of the trade at which they are employed. An apprentice shall be employed only at the work of the trade to which he is indentured. The initial wage to be paid an apprentice shall be not less than twenty-five per cent (25%) of the journeymen's wage being paid and shall be increased each six months in an amount not less than fifteen per cent (15%).

The Board reserves the right to reject any and all bids.

By order of the Board of Education, June 29, 1948.

PAUL C. BRYAN,
Secretary of the Board of Education of the City of Albany and of Albany Unified School District of Alameda County, California.

Walkup Predicts 1948 State Fair Will Be Greatest

Every person in the state should attend the California State Fair in Sacramento, September 2 through 12, so that they can realize the greatness of industry and agriculture California has achieved within the short span of a century, according to Ward G. Walkup, of San Francisco, a member of the Fair Board of Directors and chairman of the horse show committee.

Walkup, who was appointed to the board in 1945, predicts this year's fair will be the greatest in history with exhibits of livestock valued at millions of dollars, diversified crops from all parts of the state, thoroughbred horses, and a multitude of industrial products.

"We have more industries in this state than ever," Walkup said. "Agriculture has expanded throughout the state with farms playing a huge part in feeding the nation and the hungry abroad. All this will be displayed in exhibits of counties, agricultural organizations, and commercial firms who have placed California in a leading role.

"Fairgoers this year will see a new and greatly enlarged industrial exhibit, a new Hobby show complete with model trains, a beautiful Art show and a Flower show which stresses the theme of 'Gold Discovery'."

Now its proved quality
becomes more impressive than ever

..AND CHEVROLET'S LOW PRICES

are even more attractive than in the past!

FIRST in Value . . .

FIRST in Big-Car Quality at Lowest Prices . . .

FIRST in Registrations

ALWAYS THE VALUE-LEADER . . . always the first choice of people who want the finest at lowest cost . . . Chevrolet's value-leadership is now so outstanding that men and women everywhere are deciding it's more than ever the preferred investment in its field!

Not only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring . . . not only does it offer all these major advantages of Big-Car quality at lowest prices . . . but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!

It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head Engine. It's the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.

And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!

That is why more people are buying Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date; that is why they are agreeing, with ever-mounting enthusiasm, that Chevrolet is first in dollar-value as it is first in nation-wide demand.

radio and articles of clothing were taken. Police found the apartment littered with fragments of discharged firecrackers.

Williams reported that one man was arrested for selling firecrackers over the 4th. He was fined $25.

The alertness of two local merchants led to the arrest on July 1 of three women assertedly working an "Irish linen" racket. Their story was that they were returning to Canada and that tariff on the material would be too high to make it feasible to take it across the border. They offered to sell it at a price far below the original cost. The merchants became suspicious, called police headquarters and the women attempting to sell the practically worthless material were quickly arrested.

'Y' Summer Program Proves Very Popular

Day by day the Albany Y. M. C. A. summer program is striding toward a peak capacity of attendance, according to Elmer Coble, secretary, who stated that the swimming classes are exceptionally popular.

Many local boys and girls are working on the National 'Y' progressive tests.

The craft sessions at the Albany 'Y' building are producing some interesting results in the form of coin purses, billfolds, key cases and dog leashes.

In the athletic program both boys and girls are getting corrective exercises, spring board mat work, tumbling, boxing, wrestling and fundamentals in softball. Table games of checkers and ping pong have been added to the program.

Facts About Ford Rebuilt Engines

Ford There's more than just price to consider when you buy a rebuilt engine. You have a right to know what you're getting for your money. You can be sure of top workmanship, and dependable power when you get one of our Ford Reconditioned engines.

We've built our business through years of honest service. The reputation we've gained is your best assurance of satisfaction in the Rebuilt Engine you buy from us.

Here's Why:

They are completely rebuilt to exacting factory standards.

The job is done by authorized Reconditioners selected for their ability by the Ford Motor Company.

Time and care is taken to assure the best possible job—Only parts capable of proper reconditioning, and new parts, are used . . . reconditioned parts kept to a minimum . . . blocks and crankshafts tooled within safe limits . . . checked with precision instruments.

Before you buy any rebuilt engine, be sure and see us first.

WHY WE MUST HAVE A FARE ADJUSTMENT

A Statement by E. C. HOUGHTON, *President, Key System Transit Lines*

BECAUSE any public transit company must be operated on a sound financial basis in order to meet its obligations and retain a high standard of service, KEY SYSTEM TRANSIT LINES has petitioned the Public Utilities Commission for interim adjustments in its fare structure.

It is true that about a year ago we asked for and we were granted an increase in fares. This was necessary because of increased wages and salaries and to meet the increased costs of taxation, materials and supplies. At that time we estimated that the increases would fall far short of meeting the costs during the first 12 months period. In granting the application the Commission specified certain improvements in service. These specifications have been complied with, adding a large amount of additional service, incurring increased expenses without proportionate betterment in revenue. Actually, improvements in service and new equipment called for the expenditure during 1947 of more than $7,000,000.

TO REMOVE INEQUITIES

In our new application for fare adjustment so far as local riders are concerned the basic 10 cent fare will be retained. However, we seek to remove the inequities presently existing, under which those riding long distances pay no more than those whose ride is shorter.

Accordingly we have asked approval of a plan under which fares will be based on a zone system.

Obviously, it is impossible to meet our obligations and maintain the present high standard of service without additional revenue. Furthermore, extension of service to the rapidly growing fringe areas of the community can only be provided if the company is in a sound financial condition. We feel that the fairest and best way to increase revenue is to remove the inequities under which patrons riding 10 miles pay no more than those riding a mile. Those making the longer trips now ride for less than 1 cent a mile. In the major cities of California the average rate per mile is 2½ cents.

THE TRANSBAY PROBLEM

The Public Utilities Commission is asked to permit discontinuance of all forms of commutation books.

The transbay service has consistently presented an operational problem because of the sharp morning and evening peaks. This means that a large quantity of equipment must be provided, equipment which is idle during the middle of the day. Also, power rates are fixed on the basis of our demand for the peak periods. As an example of the heavy equipment load required to meet these transbay peak demands 172 motor coaches are required to maintain service for the rush hours while only 26 are required during the day.

Under the commutation system now existing passengers receive reduced rates at times of day when the cost of providing the transportation are greatest. Obviously, this condition is not equitable.

It is further proposed that after the Utilities Commission has had an opportunity to make a full study of our fare structure, to add to the transbay fares an amount equal to the bridge toll collected by the state, an amount which the company can no longer afford to absorb. We must now pay to the State of California an average of 2 cents for each passenger carried over the bay bridge. This amounts to about $360,000 per year.

COST OF INGREDIENTS

Like every other commodity today the cost of ingredients has increased sharply. Here are some specific examples of recent increases in our costs:

Supplies and materials . .	$250,000 per year
Labor costs	600,000 per year
Anticipated taxes	125,000 per year
Street repaving obligations .	150,000 per year

Labor costs amount to 6 cents of every 10 cent fare collected. Other miscellaneous costs have risen so sharply that the net loss of our company last year totalled **$355,000.** Operating loss for the first quarter of this year reached **$66,000.**

Key System Transit Lines is not deviating from its announced policy of providing the finest possible transit service for the communities in which it operates. But we cannot expand facilities and maintain a high standard of service while operating at a loss.
